There are many creative and unique ways to display your favorite photos of family, friends, pets, vacations or special interests. In addition to giving yourself or others a ceramic or glass tile displayed in a new way we offer these favorite images of yours on t-shirts and mouse pads.

The following pricing includes the complete finished item. If you need us to scan your printed photo their is only a small charge of \$10.00. This can be one 8" x 10" or multiple small pictures that fill an 8 x 10 space. Anything larger than 8" x 10" will need to be priced individually.

Our t-shirts are Hane's Soft Link. They are a soft 100% polyester on the outside and 100% cotton on the inside. The cotton allows your t-shirt to breath and wick away from the body. Washer and dryer safe. Image always stays as soft as the t-shirt.
